Halstead & DMCC Notes

Club notes for May expected to include results of Club riders from the opening round of the Centre Solo MX Championship meeting at Blaxhall. This idea went out of the window when Woodbridge Club had to cancel their meeting scheduled at the tail end of March.

With the cancellation this put us in pole position to take opening round of the Championship which was on 20th April. News of Club riders in results later.

Working party on Good Friday well attended by Club members & riders.

Many, many thanks to everyone who came along. Including one rider from Kent, also a dog attending

A little humour into club notes. Committee meeting in March, Chairman; Keith Weavers, taking the chair. Meeting started with Keith holding his hand over his left eye. Everyone wanted to know why. At Canada Heights at British MX Championship meeting Keith tried to head butt an Ambulance when he slipped down a slope whilst marshalling. Very handy had he had no more than a Black Eye.

Knowing Keith as we do he made a laugh out of his accident. Keith said "No laughing matter" & shrugged it off.

With riding members coming aboard & riding from 2007, welcome aboard to Halstead & DMCC, one of the foremost MX Club's in the Eastern Centre

News of injured riders. John Stanley lesser injured of the two hopes to ride later on in the season. Jon Barfoot is recovering well after his horrific injury sustained at the Supercross event at the O2 Arena in London in December

Tony Adams.
