Foreword

Phil Armes

One thing about motorcycle sport is that it throws up a good number of stories and experiences – good, bad, and indifferent. Although that often depends on the perspective of the person recounting them!! And in no small way, it is dependent on the length of time you are involved in the sport.

The cover photo shows me meeting a true 'legend' of our sport, Giacomo Agostini, at the BSB event at Snetterton on June 21st. The board we are holding is the original 'signing on' board from when 'Ago' rode at Snetterton in the Race of Aces in 1972 (my dad never threw anything away!). It was a fantastic opportunity for me to be able to share a few minutes with him, and my mum was able to catch up with him too – after all, she was the one who signed him on!!

July 22nd is of course the next Centre board meeting. I note that one of the items on the agenda is the nomination, and subsequent appointment of the Centre's National Council delegate. I understand that, after doing a sterling job for the last number of years, Jack has reached the magical age when the ACU deems you ready for the knackers yard. I believe, therefore, we will be looking for someone to fill his shoes – whilst the workload isn't too great, the responsibility is to be respected. So let's see if we can find a suitable candidate, who can represent the Centre in the most positive manner, and make our voice heard.

The Recollection Section

Sidge Kenny

For several meetings now, the Centre Board has debated on the need for younger blood to come into the running and administration of the Sport. Somewhat perversely, the counter charge has been made from the floor, that the grey-haired, “old guard” will not quit their positions to allow this. Whilst this accusation is clearly provable nonsense, the charge does hold some sway in the Centre, mainly amongst the majority who never set foot into the Board meetings – nor – in the case of the last motocross seminar, to the relevant sub-committees. (Only two riders attended) Now we have had official recognition of this “replacement” problem. At the April Board, the ACU secretary himself, Gary Thompson, made a welcome appearance and during his report on topics in general, he emphasised how widespread this tardy attitude of younger riders and members to take up some of the management of the sport has become across all Centres. I will have to add an opinion of my own here. It is all very well to set a rule - as the ACU does - of ‘no one over 70 years of age’, being able to take on major committee or administrative positions. However what is most needed, is not particularly youth, as far as it goes, but - essentially - competence to do the job That expertise is only gained through experience and a period of “apprenticeship” which in any democratic organisation (accept it or not, the Eastern Centre is democratic) will include regular attendance at Board meetings and then, as both knowledge and the good opinion of others is gained over time, nominations for committee positions can be won. It may sound tedious but that’s how the system works. And it is obvious, the penalty for a continuing lack of people coming forward will simply speed the withering of the sport at grass roots level..

A more direct way of dealing with this problem is to address the riders themselves whilst in their riding garb and prior to an event’s beginning. This has occurred at the start of most of the trials run by the Eastern Fourstroke Association this year. As is the custom, riders as a group are addressed on the course and protocol of the day’s meeting. Chairman Ted Smith has however been adding in somewhat forceful terms, that the “old boys” cannot be expected to prepare the sites and run the club indefinitely. Additionally, the most crucial position in any organisation – that of secretary – is also vacant. Ted invariably ends his appeal with the words: “- If this carries on – there won’t be any more (expletive) trials for you lot to ride in....” His message is clear and undoubtedly true. I personally am very grateful to the EFA for enabling silly old sods like me to carry on riding competitively on sections that test yet not potentially injure us. They also cater for the very youngsters we need, allowing a modest entry into the Sport and to determine if it is really for them. I could not give a toss on whose permit they run on, in my long experience they provide a much needed access for a variety of rider skills and the loss of such an organisation would be tragic. I was moved to actually offer my humble services to Ted – and if I said I failed the interview, that might be a trifle inaccurate. I am not really what the EFA or indeed the sport itself, is looking for. Volunteer? – yes, I was. Under 70? Unfortunately, no....

TONY HOWE

Older members of the Centre would have been saddened to learn of the death of Tony Howe, at the age of 83, last month. Tony was a regular competitor in trials and scrambles (MX) in the 1950's and 60's and was one of the band of British riders who competed in scramble events organised on the continent. In Tony's case, as he was a mechanic by trade this meant leaving work on Friday and travelling overnight to the venue via ferry and at times, a considerable road mileage. The meeting completed - it was then an equally long journey home for the essential Monday morning wage-earning.

Tony rode Gold Star BSA's for his scramble work but went on to the smaller 250 C15 BSA for trials, which also included competing in the Scottish Six Days.. I don't ever recall seeing him on a two-stroke. Nicknamed "Hoss" by his close colleagues, my memory also tells me that he was known as "The Bull" by the many scramble followers of the time. This may well have been a reference to his forceful riding, or his stature, for Tony was a chunky man of determined appearance. Yet on one-to-one acquaintance, he was a most friendly and softly spoken character who would do anything for a fellow rider. I remember him once helping an unfortunate competitor out of an extremely muddy section where he had fallen. All who witnessed it would have agreed Tony gave the bike more propelling power than the engine!

Halstead & DMCC Club Notes

Gill and Chris Fitch

This year marks the 10th anniversary of Richard's sudden and tragic accident at Hawkstone park.

Many of you will have never met Richard, you may have spotted or even sat on the memorial bench overlooking the track at Wakes Colne. Wakes Colne was a firm favourite of Richard's. It is testament to Richard that Halstead & DMCC have and continue to hold this annual meeting, and that you as competitors choose to take part in it, as Richard's parents we are humbled by the support we have had, and continue to receive from fellow racers, friends and colleagues,

Richard's love for the sport began at the tender age of 2 years, at 8 years old he took part in his first official race at 'Peroy's', for those of you not familiar with the track, it was very basic, the facilities left a lot to be desired but it was traditional and fast! Richard had the racing bug! and quickly this took over not only our weekends, any spare cas we had and more, but most importantly gave Richard something to focus on. He progressed through the ranks and was lucky enough to compete both in the UK, Europe and America. Richard always believed that enjoying the sport was paramount, we all like to win but winning isn't everything.

With this in mind, we are awarding prizes to competitors across the field, not just focussing on the winners - There will be a special perpetual trophy, a bronze casting of Richard's helmet awarded to the overall winner in addition to the usual prize monies and trophies.

The plan for the trophy race is to have a Le Mans type start to add some more excitement to proceedings.

Sudbury MCC Club Notes

Roger Chaplin

Deadlines, deadlines I wish they would go away sometimes, I have force myself back indoors to do these notes. It is hot and sunny outside and while I was sitting on the bench I was watching the birds flying down to the lawn to eat the food I have put out, it is such a lovely and peaceful sight.

I believe the regs for our Four Man Team Enduro on 9th August should be in the August Gazette and we will be using our wrist band transponders for this event so please bring them along. The venue this year will be at Foxborough due to land issues so will our Two Man in September. We are unable to us Chappel this year as the fields we use have been ploughed up but the Landowner has told us it should be okay for 2016. With Tye Farm Great Cornard under new ownership we have lost two events there this year and we don't what is happening next year, hopefully at least one event. Therefore the Sudbury Club is on the lookout for new land which is not easily to find at the moment.

Conditions were ideal for the third round of the G H Motorcycles/Husqvarna/Eastern Centre Enduro Championship which we held at Foxborough Quarry and run on the Hare & Hounds format. Up first were the Clubman & Sportsman Classes and in the Clubman Class it was Alex Rampton who took an early lead and kept extending it from second place man Alex Walton who was bypassing the bog in which at the Endurothon got well and truly stuck. However Alex W plucked up courage and started riding the bog and by doing so caught up to Alex R and passed him. Meanwhile further down the field there was a battle between Ryan McDonnell, Kevin Silvain, Kevin Palmer and Martin Stevens but they couldn't catch the leading two who swapped places several times. On the last lap Alex W while leading took the wrong line in the bog which let Alex R through to win. Clubman Veteran Club was a first win for Jason Carsboults with Terry Allen 2nd, Jason Warren 3rd and John Austin 4th. Clive Stevens injured his thumb while competing in the Clubman Veteran Class but hung to 7th place while Andy Mason won followed by Steve Finch, Perry Miller and Les Rampton. First three in the Sportsman Class were Paul Webb, Shane Sparrow and Pete McDonnell. Aston Bird was left on the line for the start of the Championship Class in the afternoon session but at the end of the first lap he was 4th. Aston was in fine form and soon took the lead which he held to the chequered flag followed by Jamie Roper, Sam Toy and Chris Hockey. Jake Gregory dominated the Expert Class winning by 6.13 minutes from Class leader Will Hughes with Ben Alexander 3rd and Ben Grice 4th. Another rider in top form was Michael Ridge who won the Expert Veteran Class from Class leader Gavin Hockey with Nick Ames 3rd and Phil Roper 4th. I won't give the current positions in the various Classes as round 4 at Hadham would have taken place when this issue of the Gazette is published and there are a few riders who have not ridden in all the rounds and as it is the best four scores out of five that count there is a long way to go before we know the winners although I feel we will have a new name in the Championship Class this year. We used our new wrist band transponder system for the first in a Championship event and overall it worked very well, we are still crawling with the system hope to be walking next year and at Hadham it is being used alongside time cards that will be interesting.

Good luck to the Eastern Centre Teams in the Inter Centre Enduro Contest on 12th July. I think the Trophy Team picks itself very easily while in the Vase Team you can perm any 3 from 9. So let's hope they can secure victory in both Classes.
