Foreword

Phil Armes

Getting coverage of off road motorcycle sport in to the local media is not always the easiest thing to do – although in fairness we often have ourselves to blame as we don't provide the relevant/coherent information to the right person at the right time. However, I was delighted to see in one of the main supplements of the 'Weekend' edition of the Eastern Daily Press a full colour double page feature on motocross rider Jake Nicholls. It has to be said that the EDP and it's sister publication the East Anglian Daily Times do cover as many different sports as they can, but to see an article published in the non-sport supplement, that concentrated on Jake's love of his home county Suffolk, and how he enjoys his spare time was a very pleasant surprise.

Judging by the content of this issue and the fact that there are a good number of both Trials and Enduro regs it must mean that the season is well under way – must also mean that the first snow of winter is about due as well!!

The Centre awards function takes place on February 9th, but if you fancy going it may well be too late as tickets have all been sold. Those of you who have read my mentions of the function in the last two issues will now know that I wasn't overstating that it's a "right good do"; all I can say is make sure that you get a note in your diary to book early for 2020!!

Recollection Section

Sidge Kenny

To my best researches, we have just entered the 99th year of the Eastern Centre - or "Region" as the ACU would have it. According to a very old ACU handbook, given to me by the late and fondly remembered, Colin Armes, the Centre was formed by a gathering of seven clubs sometime in 1921. Other "Centres" had been previously formed to eventually provide an ACU National framework and the original intention for this scheme was to provide a covering road rescue service – rather like the AA and RAC, does now - strictly for motorcyclists. We must remember that in those days, cars were unaffordable by most wage earners and motorbikes, some solo but many harnessed to sidecars, were as prolific on the roads as the four-wheelers. It was only later, in the same decade, that the RAC – who had powers over the ACU – stepped in and took on the administration of road services to both drivers and riders and this left the ACU solely to keep control of motorcycle sport. I might just add the RAC does still retain rights over the ACU in certain areas, which is why we have to pay them a fee if we wish to run an event which involves road usage, such as a long distance trial.

Currently, there appears to be an overall decline in sporting activity within the ACU remit – though I cannot say if this is a National trend and therefore also repeated within the "break-away" sectors, such as the AMCA. The principal factors seem to be the lack of people willing to come forward to officiate at meetings and form part of the essential behind-the-scenes organisation and pre-event work, so vitally necessary to run each and every meeting. It is difficult to say exactly why this should be so. Is it fear of modern litigation if things go wrong at a meeting? It shouldn't be, for there is ample insurance cover in place to underwrite these unfortunate eventualities – or, is it simply that people have other interests nowadays? Yet the numbers wishing to enter and compete in all disciplines of motorcycle sport, hold up more fully than those wishing to assist and organise. Or is it the case that we have reached a generation in age, which has in the past, largely had things provided for them without the need for great effort on their part? None of this is particularly clear but from reports it is a dilemma now prevalent over the entire country and in actual fact, our Eastern Centre/Region is seen as one of the better organised and operated areas over the range of off-road sport.

However, apart from all of that, I have a quiet grin to myself when considering where that original function of the ACU from nigh-on a century ago, might have been under today's traffic conditions. The county of Essex – as are many others - is almost grid-locked each morning as commuters head off to London - being the great black hole of irresistible gravity and if I ever get on the A12 at peak time – which is thankfully rare - I am in awe of the small band of motorbike riders and couriers who undoubtedly risk their chances, but invariably ride with great skill to weave in and out of the crawling or stationary lanes to make better progress through the grid-locked jams. Their numbers of course, compared to the metal box brigade – are tiny and most of those intrepid riders would probably not be in ACU clubs anyway. So we are left with the probability that if motoring and motorcycling had started off under 21st century traffic conditions, the ACU and its Centres, might never have been formed.

Woodbridge Club Notes

Charlie Ralph

Our pre70 and twinshocks trial at Butley at the end of December was supported by a great entry of 104 riders. Held on a cold, but dry day, we had some good comments from riders on a first class event. Big thanks to the observers for their help, a great bunch of dedicated people who make these events possible. Despite still not 100% well, Daniel Carter, on his immaculate Norton, was in great form, winning the overall, and collecting the Laurie Bird trophy for a 7th time. Over the 12 sections, ridden four times during the day, Daniel lost only three marks over the 48 sections, a feat that the late Laurie Bird would have been proud of. Stylish Chris Collins was the best of the unit class, with Graham Brown taking the two stroke win ahead of long time rival, Clive Dopson.

Andrew Arden was best of a big entry of twin shock machines, beating Tom Norman by four marks. Our club member, David Woods, was third, just ahead of Eastern legend, Mark Banham.

Our trials club membership has increased again this year, which is very encouraging for the sport. One of our members, young speedway star, Drew Kemp, took his grandad's bike to jointly top the pre 70 easy route unit class, and commented that he could not get over the fact that for a change, his machine actually had brakes ! It was good to see eight year old Alfred Eaves tackling the sections on his little electric bike, giving me the thumbs up when he had a clean on a section. All credit to grandad Joe, who is nurturing him well.

Blaxhall is the venue for our next trial which is as usual, held on Good Friday.

Our first enduro event is at Iken, near the Suffolk coast on March 3rd. This is a round of the Dave Barkshire sponsored two man team event, so it is time for riders to start sorting out their team mates for the five round series. Secretary Deb Harvey would appreciate an early response from riders who wish to compete at this great venue.

There is sad news on the motocross front, as we learn that likable Jake Nicholls has had a setback regarding his leg injury. Jake has been in considerable pain with the injury which he sustained at Blaxhall last September, then learnt that with an infection hampering his progress, he has been advised to not race until at least April. This will obviously spoil his chances in the British National events, but all we can do at the club is to wish him well, and hope that he will be up there at the front as soon as possible.

Better news for young Dylan Woodcock, who is in sunny California for a time, and competing in the first five or six rounds of the AMA Supercross series. This is, without doubt, the toughest supercross championship in the world, and Dylan is making the most of living the dream. Although not making it to the main final at Anaheim1, he was 10th in the LCQ, that alone is a big achievement for his first race in the Big Apple. Other mx news is that Woodbridge club ace, Luke Benstead, has agreed another year riding the 450 Husqvarna, sponsored by Gavin Hockey Motorcycles of Colchester.

Back at Blaxhall, the gang have been busy preparing for the 2019 season, which starts with a practise day on Saturday 16th March. There has been a few changes to the circuit, which should allow a better flow at the far end of the track. Recent dry weather has given the crew a chance to put in the hours. The idea is to see how this lay out works on the practise day meeting before we put on our first actual race meeting in April.

A reminder meanwhile, to club members, that our AGM/ Awards evening is on Friday 22nd of February at Hasketon village hall. All new and current members are very welcome, but please remember that alcoholic drinks will not be available, so please bring your own, with an extra one for me !

Congratulations to Joe Phillips on winning the Novice Class at the Braintree Club's Turkey Trot Trial also well done to other Club members that rode. Seeing some of the comments they have made about their bikes getting muddy, it is winter

what do they expect I have been up to my neck in snow also I had to ride my bike to the Trial, then rode it over three to four group of sections then ride back home before dark – those were the days. I see Stephen Green having some fun on the Speedway track, I think he is going backwards in his life what will it be besides Grass, Enduro, Cycle Speedway, BMX and Moped Speedway.

Well done to all of those or should I say the few who set up the Extreme Enduro, the Sunday before the event they worked in the rain and fortunately the rain held off for the following seven days which made the day just right although it was a challenge to get the vehicle to the paddock. Sadly, there were only 40 entries and I take my hat off to all of them as they stuck to their task over the various obstacles and one, I must mention is Luke Womack who at times or most times was struggling, sliding off here, throwing his bike there determined to finish which he did and I presented him with his finishers medal. We had good support of riders from out of the Centre again with the Pro Class winner once again Charlie Frost from Bath. He was chased all the way by Ben Wibberley who was only 89 seconds behind after the two-hour session both on 19 laps. Next came the Sudbury quintet Stevie Roper, Craig Roper, Jack Berry, I forgot to turn my petrol on at the start Jamie Roper and Myles Saunders. Jonathon Pearson beat last year's winner Jason Pearce in the Expert Class with Barney Thurgood 3rd, Mark Kirby 4th and that Quad ace Sheldon Seal 5th. Jack Austin won the Clubman Class with Joe Phillips (yes him again) 2nd, Jo Henthorn 3rd and Gary Vines 4th. It was a win for Ryan Crisp in the Trial Class with Super Veterans Jez Moss and Jason Green 2nd and 3rd with Ben Warner 4th. It was nice to hear the kind words from those from afar, it was a proper Extreme nothing taken out when the going gets worse and will spread the word.

'Now is the time to say Goodbye' (courtesy of Pete and Dud) as this is my last time writing the Sudbury Club's Notes for the Gazette which I have done for eight years this Century and for three years last Century. My first piece appeared in the March edition 1963 and started as this 'Our Annual General Meeting was held etc. etc.' I will leave you with the last paragraph of my last contribution in the February 1966 edition with insert referring to February 2019. 'Here ends four years' Service (eight 2019) in the job and I will leave you with this thought "This could be the last time ..." although I will no doubt have many Stones thrown at me, I will still keep rolling on.'

Reserved MX Number Scheme

NEW NUMBERS AVAILABLE FROM MID-DAY MONDAY 4th FEBRUARY

Reserved numbers not renewed by 31st January will be made available on a first come, first served basis. If you have not renewed your number by this date there is every possibility that you could lose it to another rider. There were in the region of 700 numbers sold for 2018 so it is important that you act quickly if you are after a particular number.

You can renew your number online at www.easternacu.org or if you prefer by using the postal form on the next page. The cost of reserving your number remains at £5 per season. If reserving the number online an extra 39p is added to cover the fees we are charged by PayPal. This ensures that the chosen charities (East Anglian Air Ambulance, Essex Air Ambulance & ACU Benevolent Fund) do not lose out, and is still cheaper than sending the application form by post.

Numbers 1 – 50 are kept for experts only. Number 1 will be offered to the Centre Champion; in the event that the champion declines, number 1 will not be issued.

Please Note: Because the number scheme on the website is updated manually it is possible that more than one rider could attempt to reserve the same number within a short period of time. Should this happen, the number will be allocated to the first rider to reserve it, while the other rider(s) will be given the option to choose an alternative number from those available. The site will be under constant observation on 4th February to reduce the possibility of this happening, and to ensure that riders get their preferred number.

EXPERT NATIONAL / BRITISH CHAMPIONSHIP RIDERS ONLY

New for 2019, from 1st February any expert graded rider who is registered for an ACU National Motocross Championship may, where able to do so, purchase their registered number - even if it has already been purchased by a junior graded rider.
