

Eastern Centre Grass Track Sub Committee Meeting held on Sunday 4th August 2013.

The Sub Committee meet in the pit boxes of the Southend Grass Track on August 4th, those present was Steve Brace, George Wilby, Julian Sayer, Alan Foskew we had apologies from Graham Garrod, and Peter Baker and David Smith.

We went through the grass track season in the Eastern Centre and everybody present thought that the One Day Championships held at Good Easter run by the 500 cc Sidecar Association was an excellent event and the club deserves a letter of thanks from this sub- committee, this has been done.

We then discussed Woodbridge meeting last weekend at Iken which George was a good event and he had several people asking if he would consider running an National event next year at Iken he has spoken to the farmer who is very keen on the idea perhaps an youth meeting on the Saturday and perhaps quads on a smaller circuit. The committee discussed this and listen to George and the whole committee present would be prepared to assist George and the club if it went ahead next July time.

With No further business the meeting was closed, with so few eastern centre riders present it was decided to move the open forum to Woodbridge Meeting at Rendham on the 5th October.
