We would like to extend our thanks to Steve & Wendy Sawyer for letting us use this excellent piece of land for the trial.

Grazie multo to all our wonderful observers without whom, well, you'd have to be trusted to mark your own scores, wouldn't you.

We tried to help the observers more this year (by having front & back numbers etc) but then made it more difficult by giving them the wrong score card (our PKT one) by mistake. Sorry!

Many thanks, also, to Castle's loyal band of section clearers/setters who've worked so hard to make the event happen.

As secretary of the meeting, can I thank all the riders who entered in advance - it makes the administration so much easier.
